**IKARIA AND INVESTOR GROUP CLOSE TRANSACTION TO ACQUIRE INO THERAPEUTICS FROM LINDE IN
\$670 MILLION CASH AND STOCK MERGER, CREATING A WORLD LEADER IN CRITICAL CARE
THERAPEUTICS**

Combined Company Has More Than \$160 Million in Revenue, Significant Earnings and a
High-Potential Product Pipeline Based On Breakthrough Research in Hydrogen Sulfide, Nitric Oxide, Carbon
Monoxide and Other Novel Drug Candidates

Innovative Transaction Led by New Mountain Capital, ARCH Venture Partners, Venrock Associates, 5AM Ventures
and Black Point Group

Seattle and Clinton, N.J., March 28, 2007 – Ikaria Holdings, a newly formed investment company, closed today on its previously announced transaction to combine Ikaria, Inc., a biotechnology company, and INO Therapeutics, the world leader in gaseous drugs, including inhaled nitric oxide for the treatment of hypoxic respiratory failure in newborns. The transaction, valued at approximately \$670 million, was financed by a group of private equity and venture capital investors led by New Mountain Capital, ARCH Venture Partners and Venrock Associates. INO Therapeutics was acquired from The Linde Group (Deutsche Börse: LIN), which retains an equity position in the new entity. The combined company, which is called Ikaria Holdings, has a leadership position in therapeutic gases and critical care medicine, a high-growth, multi-billion-dollar market. Its corporate headquarters is in Clinton, N.J., with operations in several other locations, including a research and development facility in Seattle.

Existing Ikaria investors continue to be investors in the combined company, and approximately \$300 million of new equity capital has been contributed by the investor group, which also includes Altitude Life Science Ventures, Washington Research Foundation and Alexandria Equities. Debt financing for the transaction was provided by Credit Suisse acting as lead arranger. Goldman Sachs served as the financial advisor to Ikaria. Fried, Frank, Harris, Shriver & Jacobson LLP served as legal advisor to Ikaria Holdings and New Mountain Capital; Heller Ehrman LLP served as legal advisor to Ikaria; and O'Melveny & Myers LLP served as legal advisor to the other venture capital investors. Linde was advised by Morgan Stanley, and Freshfields Bruckhaus Deringer provided legal counsel.

###

About Ikaria

Ikaria is a Seattle-based biotechnology company focused on developing breakthrough products for critical care. At the forefront of a new research domain in metabolic depression, the company is rapidly pursuing the development of products that would change critical care medicine. The company's technology is based on early research focused on metabolic control performed by Mark Roth, Ph.D., investigator at the Fred Hutchinson Cancer Research Center. For more information on Ikaria, please visit www.ikaria.com.

About INO Therapeutics

INO Therapeutics is a specialty pharmaceutical company with strengths in the development, marketing and sales of critical care drugs and drug/device combinations may help improve the lives of patients and fulfill unmet medical needs. The company's core product is INOmax® (nitric oxide) for inhalation. INOmax® is approved in the United States, Europe, Canada and parts of Latin America, and is supported by the INOvent® delivery system, INOcal® calibration mixtures and 24/7 medical and technical service and support. INO Therapeutics is headquartered in Clinton, N.J., and the company maintains a state-of-the-art manufacturing facility in Port Allen, La. Its parent company formerly was The Linde Group. The Linde Group stock is publicly traded in Europe. For more information on INO Therapeutics, please visit www.inotherapeutics.com.

About The Linde Group

The Linde Group is a leading global industrial gas and engineering company that boasts a workforce of more than 51,000 employees in over 70 countries across the globe. Following the acquisition of BOC Group, the company's Gas and Engineering segment now generates annual sales of approximately €12 billion. The strategy of The Linde Group is aimed at generating earnings-based growth. Its primary focus is on the targeted expansion of its international business by developing innovative products and services. For more information on The Linde Group, please visit www.linde.com.

About New Mountain Capital

New Mountain Capital is a New York-based private equity firm investing for long-term capital appreciation through direct investment in growth equity transactions, leveraged acquisitions and management buyouts.
